Temporary fixed-contract until 31 August 2019

The Bright Futures Educational Trust (BFET) is a partnership of schools based in the North West. The Trust's core aim is to offer a quality education that guarantees choices for every one of our pupils. There are currently nine schools within the Trust. Our values of hard work, passion and integrity are at the heart of everything we do.

The school is seeking to appoint a highly organised, enthusiastic and competent professional to work as part of a high achieving and forward-thinking science department in this prestigious school. Experience of laboratory management and IT skills are essential.

Please download the job description for full details.

Please return your application to Mrs C Williams at the school by midday on Friday 25 May 2018. Interviews are to be held in the week beginning Monday 11 June 2018. Applicants who are not contacted during this period may assume that they have not been successful but are thanked for their interest. Unfortunately, we are unable to provide feedback to unsuccessful applicants who are not called for interview.

Please note that due to equal opportunities and safeguarding regulations, applications will be accepted by application form only. Please do not send CVs. Supporting documents/letters of application are welcomed.

ADDITIONAL INFORMATION

Further information about the school, a copy of the school's prospectus and the most recent OFSTED inspection are available from the school's website.

AGGS is committed to safeguarding and promoting the welfare of children and young people. Any successful applicant will be required to undertake a CRB check by the Disclosure and Barring Service.
