The Bright Futures Educational Trust (BFET) is a partnership of schools based in the North West. The Trust's core aim is to offer a quality education that guarantees choices for every one of our pupils. There are currently eight schools within the Trust. Our values of hard work, passion and integrity are at the heart of everything we do.

The governors are seeking to appoint an enthusiastic and able technician to provide technical support to the very successful Art Department. The equivalent of one day per week will be also dedicated to displays around the school, assisting other departments in the preparation and mounting of displays within their subject areas.

Please return your application to Mrs C Williams at the school by 3.30 p.m. on Tuesday 2 October 2018.

Interviews are to be held during the week commencing 8 October 2018. Applicants who are not contacted during this period may assume that they have not been successful but are thanked for their interest. Unfortunately, we are unable to provide feedback to unsuccessful applicants who are not called for interview.

Please note that due to equal opportunities and safeguarding regulations, applications will be accepted by application form only. Please do not send CVs. Supporting documents/letters of application are welcomed.
