Part-Time (approx 0.6 FTE)
Fixed-term for one year
Required for 1 September 2019

The Bright Futures Educational Trust (BFET) is a partnership of schools based in the North West. The Trust's vision is the best *for* everyone, the best *from* everyone. Our values of community, passion and integrity are at the heart of everything we do.

There are currently eight schools within the Trust. BFET is committed to providing all staff with the training and support they need to be the best in their profession. Benefits include: working cross-phase, knowledge exchange between our schools and the opportunity to work with some of the most inspiring colleagues in their profession.

Altrincham Grammar School for Girls (AGGS) was in the first cohort of schools to be designated a National Teaching School in 2011. AGGS is the lead school in the "Alliance for Learning". Our teaching school alliance comprises schools of every type and phase, plus universities, throughout a wide geographical area.

The department currently comprises a dedicated and enthusiastic team of eight full-time teachers and two part-time teachers. Each member of the department is a subject specialist. The vacancy arises as a result of a member of staff taking a career break for a year. The post would be suitable for an ambitious NQT or a more experienced teacher who is interested in gaining additional experience in an outstanding department.

Copies of the job description and application forms are available from the school website or by email (recruitment@aggs.bfet.uk). The closing date for applications is Wednesday 15 May 2019.

Applications are welcome electronically or by post and should be emailed to recruitment@aggs.bfet.uk and addressed to Mrs C Williams. Interviews are to be held in the week beginning 20 May 2019. Applicants who are not contacted during this period may assume that they have not been successful but are thanked for their interest. Unfortunately, we are unable to provide feedback to unsuccessful applicants who are not called for interview.
