Teacher + SEN Allowance Full Time Permanent required for September 2019

Melland High is a highly successful 11 – 19 specialist support academy for pupils with significant and complex learning difficulties which has been repeatedly described by Ofsted as being '*outstandingly effective*'.

The school is:-

- a BFET academy
- a National Support School;
- a Specialist Support High School for central and east Manchester.

Melland High is established in our shared campus with Cedar Mount Academy in Gorton Education Village and is a member of Bright Futures Educational Trust.

The successful candidates will have:-

- consistently good to outstanding performance;
- high expectations and aspirations for all pupils;
- a good understanding of how to motivate and engage pupils so they learn very effectively and make significant progress;
- a commitment to developing the whole pupil.

We can offer:-

- a wonderfully diverse pupil population;
- support in developing best practice in enrichment and creativity;
- extensive continued professional development opportunities.

Appropriate induction and INSET will be provided.

Applications from NQT's welcome.

Visits from prospective applicants are most welcome.

If you feel you are ready for a challenging role with a dynamic and innovative team please contact Mrs Yvonne Reil, PA to the Principal, yreil@mhs.bfet.uk for further details.

Closing date Friday 17th May at 12 noon 2019

The Bright Futures Educational Trust is committed to safeguarding and promoting the welfare of children and young people and it is expected that all applicants will share this commitment. DBS checks will be carried out on all successful candidates.
